1. I am sinewing something together that the world has never seen: the sinew of unity and the power of one—oneness will be displayed prominently, promisingly to every person of promise: My heirs and joint heirs with Me. I love you. I love you. I love you and give you Me. The heirs of promise, the people of power and might, who I've given My authority to in My behalf walk, laugh, and create, and abundance multiply in My earth, changing nations radically and transforming the transformative process, process of only Me. Watch Me. Watch Me. Watch Me.
2. Behold Me and behold Me in unity—oneness of only Me—and see My power to behold even more of Me, Me, Me'd ones who strong stand, confidenced by only Me and laughing at world standards, metrics and indices of not Me, which fall, crushed, demise themselves before Me, liquid crushing them, My liquid love, My empowerment of My Mighty Many who the Priesthood of All Believers are; in power, might, glory and dominion—all—under Me, My glory and power and dominion; who serve in My mercy and see in My stead, My saddle, My steeds of only Me who roam freely; in response to only Me; fed, clothed, housed, provided, abundanced in only Me—sinew of oneness; angels unaware of their angelhood, their origin, their demise and death which resurrection brought into the fullness now of carrying My power in the earth, on the earth, cataclysmic battles of Me withstood.
3. I give you Me and pipe organs and seamstresses who sinew sew the fabric of color of agony not, but empowerment and freedom and annihilation not, annihilation of not Me, in purity, in My purified ones who taint not My words for self promotion.
4. No reputation, no reputation, no outcome based prayers; motive'd to only Me and drink offering being—be'd, been, are, breathing—in death, in life now, resurrected into the spiritualized believers of only Me; spiritualized flesh: angels unaware, unaware angels who I crown with righteousness, for righteousness, holiness and purity—sought, battled for, planned, encircled Me for, untainting themselves, making themselves clean for noble purposes: My purposes, My lovership, My leadership, now. Now unafraid, now, and now moving forth creating and loving and leading lives of abundance and creation—creatorship of only Me, Me flowing through them in images Me, and words innumerable, visions and dreams of only Me; video reflecting Me, My arms, My hands, My sinew of sinew which without no man will see God.
5. Oh Me, oh Mine. What I have given and am declaring this day—the day of oneness coming forth. Watch Me. Watch Me. Watch Me. Behold the Lamb of God. **Behold the Lamb of the firstborn Son.** Behold the Lamb. Behold the Son that takes away the sin of

the world; in My blood, in My body, My family, one—in oneness—as I designed, as I sought, as I was, and evermore shall be, world without end: My world only, My world only, My world only, **only My world without end**: My family, My blood, My oneness in My body coming forth in stark madness to the intellectual religious right, religious left, and radicals of not Me. I care not.

6. My Cross conquers and My love withstands nuclear blasts—My nostrils of glory speak and fire show. Watch Me. Watch Me. Watch Me naturalize all My citizens into My Kingdom of righteousness, purity and holiness, of which without, no man will see Me, see Me, Behold Me.

7. Behold Me and My sin not, for I knew no sin, and whoremongers who stories tell to belie My wholeness will lie, lie in wait for My blood and receive My wrath. Poor souls—eradicated. Watch Me. Watch Me pour out My wrath as I pour out My love and oneness upon the earth, you leading, you leading, you leading, Ted, for your oneness chosen of Me, of you, in power and glory, and Ted, death, death, death. Your death now brings forth life for many in oneness explored, vast frontier of newland for only Me, of only Me, Me doing My work, you leading in submission to only Me and My standards and My values and correction of only Me, indices and metrics of only Me. Watch Me. Watch Me. Watch Me.

8. Behold Me as I come riding into the sky—into the hearts of those beholding Me, those who hold Me restrained not, but gallop and ride and roam, freely with Me, now and forevermore.

9. Watch Me. Watch Me. Watch Me. Oh gloriable of gloriable bringing glory to My Name—who I wear so proudly—your name on My forehead, My name on your forehead, My pipe organs blasting the magnanimous praises of only Me, resounding in beauty with percussion and orchestras and voices of a thousand angels and harmony of only Me, oneness of only Me, the world has to behold.

10. Behold the opportunity I give you today on platter royal: My royal diadem coming to My holy, without spot or wrinkle, serving with Me upon My throne, in glory, in the earth, upon the earth now today, not later. Watch Me. Watch Me. Watch Me perform My word and carry out My commands, My promises, My responsibility, alone, My responsibility alone, in My Kingdom—alone, Watch Me. Watch Me. Watch Me.

11. I love you and **proclaim My declaration of oneness this day** with magnanimous privilege, My royal diadem coming upon you to royal diadem-ize My body; royally, royally, royally; Kingship of only Me, rulership of only Me; Me, Me Me. Me arrayed in, upon, into, completely permeating My body, penetrating every pore, every capillary, of only Me.

12. See Me and think not in veins of poverty and influence human; laugh at, at its filth as esteemed by some so holy-thought, and so restrained by powers so weak.

13. See Me and My fullness and riders foreign and family all, coming now to take, accepting, the reigns of My steeds, My steeds who fully free are, roaming only to

provide freedom and oneness and death-forsaking-all, know only death, know only life in fullness of only Me. Watch Me. Watch Me. Watch Me.

14. I love you. I behold your desire to serve and reign not, in your mortal body, giving Me your members all. I thank you. I thank you. I love you. I am you.

15. I adore My body—one blood, one family. My all behold the Lamb of oneness forsaking all others, My ring on your finger now; My ring, My ring, My ring. Watch Me. Watch Me. Watch Me.

16. I in glory come. Behold the Lamb slain since the foundation of the world—before, before, before. I love you. Behold the Lamb that was slain. Behold the Lamb that was slain. Behold the Lamb which gave life, through My Son all comes and I am so pleased. Watch Me what I do with My Son. I love you.

17. Oh I love you for standing strong—royal—demanding of no one—simply presenting Me and My words and beholding My world, My world of worlds unknown. Watch Me. Watch Me. Watch Me. I love you so dearly.

18. "Eyes wide open" I love you. I behold you. I behold you. I adore you. I kiss you. I on your finger place My ring. My savior, My savior, My savior gleaming in oneship with only Me. Oh My Son in whom I am well pleased, in whom is no shadow or variableness of turning.

19. Behold the lamb. Behold the Lamb. Behold the Lamb slain before the foundation of the world, to bring forth righteousness and holiness and purity— singing, singing: Glory to the Lamb. Glory to the Lamb. Glory to the Lamb—of Hosts—all.

20. My gloried ones come forth and reign in My stead, being Me upon the earth, My infrastructure complete; pipe organs of only Me; 24/7 worship centers of only Me; freedom centers of only Me; centers of influence, power, grace and glory; all, all, all of only Me, Me, Me.

21. Behold the Lamb slain before the foundation of the world; slain so there might be life, life, life in My blood, My blood in My Son's veins, redeeming all, redeeming all, redeeming all who My Son accept.

22. I love you and give you Me, all of Me, to do all you want—your heart's desires. See Me and what I am saying. Grasp—in purity, purity, purity and holiness without which no man, woman, or child will see Me—only Me, Me. I love you and give you Me and purity to bring forth the purified ones holy'd in My presence, only Me of Me coming through Me to each other to be Me freed, freeing each other in wholeness, unafraid, comparing not, competing not, comparison so destructive. I love you. Behold. Behold. Behold.

23. Your arm hurts—

24. I arise. I return. I come in glory in the wee hours. Watch for Me. Awake be. I love you. Thank you. Thank you. Thank you. Behold Me. Behold My oneness. Behold My power. Behold My healing. Behold My purity. Behold how I do things, these things and so very much more, at your hand and the hands of the holy. I love you. Be Me. Thank you. Thank you. Thank you. I love you, Me, I love you.
